Census Program
Census of Population
A detailed statistical portrait of Canada and its people by their demographic, social and economic characteristics.

[Census data](#) [Census analysis](#) [Census reference](#) [Census topics](#) [Census geography](#) [Census of Agriculture](#)

New for 2021

- New question on gender that allows transgender and non-binary respondents to identify themselves
 - For populations <100,000 distributed into Men+ and Women+ categories to preserve confidentiality
